

CLUB WILDHURST INFORMATION SHEET

“What is Club Wildhurst?”

Club Wildhurst is our wine club for all the Wildhurst fans. It's a group of people who really love our wines, enjoy going to parties and like buying fine wines at a discount. We are a family business and consider our loyal customers an extension of that family.

“How much does it cost to join?”

There is no membership fee. Your membership will be activated with the purchase of the current “kit”. New quarters begin in March, June, September, and December.

“How does the club work?”

By signing up for membership and providing your credit card number you are agreeing to purchase one bottle each of our new releases, which works out to be 2 or 3 bottles per quarter. The wines are shipped automatically to your specified location accompanied by our fun and informative newsletter. For members who live locally or are in the area frequently we will mail you a reminder and the shipment can be picked up at the Tasting Room. Due to lack of space, after thirty days, if the wine has not been picked up it will be shipped to you. We will charge your credit card for each shipment at retail price, minus 15%. (plus shipping if applicable)

“What do I get?”

Besides being the “first on the block” to receive the new releases and newsletters, you will receive a 15% discount on all bottle purchases and a 25% discount on case purchases, (you can mix the case!). Discounts do not apply during our case sales because our prices are already so low! In addition, you are entitled to a 30% discount if you reorder the featured club shipment during the quarter it is released. You will receive advance notice on case sales, winemaker dinners and other fun events. Plus, only available to our Club Wildhurst family, is our Fall Harvest Gathering held in the middle of our vineyards or at the winery. It's a party you don't want to miss!

“How do I join?”

Fill out the membership form at the Tasting Room or online at www.wildhurst.com and we will make you an instant member! We'd love to have you join our club, and take advantage of the fine wines, discounts, great food, fun events and family celebration.

“How do I quit?”

We do require written confirmation when you decide to leave us. Please email your request with name, address, and phone number to info@wildhurst.com or fax to (707) 279-4875. We would like at least 2 weeks notice prior to the beginning of a quarter so our records are accurate for the next shipment. Our quarters begin in March, June, September and December.

“What if I have more questions?”

Call us toll free at 1-800-595-WINE (9463) or email info@wildhurst.com

Club Wildhurst Membership Sign Up Sheet
